UCCS STUDENT HANDBOOK EXCERPTS

NOTE: The UCCS policies must be observed along with the RMYLC Policies and Rules on the previous page.

The student's key allows access into his or her suite and room. Its acceptance and use is subject to the student's compliance with the following guidelines:

- Immediate reporting of lost or stolen keys to your conference counsellor. The lock will be changed and new keys issued to the student and student's room/suitemates. A service charge will be assessed for lost or damaged keys. This fee offsets the cost of the keys, lock pins or cores, and the expense of changing the lock. Please note that damaged keys must be turned in to your counsellor to receive a free replacement key.
- Students may not lend their key to others.

Do not block doors open and ensure the doors you enter and exit through are securely closed behind you.

Lock your room/suite at all times, even when going down the hall for a moment.

If you lose your UCCS room key/meal card, tell your counsellor immediately for a replacement.

Students should promptly report any incident of theft, vandalism, or unsafe conditions to your counsellor.

Students should be aware of the most direct evacuation route from their room to the closest exit prior to an emergency occurring. When the alarm is sounded in the Housing Facility, the students should leave the Housing Facility IMMEDIATELY. No student may use an elevator during a fire alarm. Counsellors will check to see if students have evacuated the Housing Facility. Under NO circumstances may a student return to the Housing Facility before a fire or public safety official gives permission.

Quiet hours will be strictly enforced from 10:00 p.m. - 8:00 a.m. Monday through Thursday during the conference.

Windows and Ledges Policy:

- Screens must be kept in windows at all times. If a student removes any screen in a bedroom and/ or suite there will be a \$25.00 fine posted to all students' accounts, unless the responsible party notifies the counsellor of his/her action. This \$25.00 fine does not cover the costs for a new screen, so additional fees will be charged if a new screen is needed, or is not in plain sight when maintenance staff comes to inspect the room.

COVID Policy

At the time of this writing, there was no specific COVID policy in force at UCCS.

- Students are free to wear masks, if they feel the need, but they are not required.
- We recommend every student BRING a mask, if the UCCS policy were to change.
- We also recommend students bring their own hand sanitizer as part of a responsible personal hygiene regimen.

If the UCCS COVID policy changes, we will follow their policy at all times.

ELECTRONIC COMMUNICATIONS DEVICES (ECD) POLICY

The primary responsibility of the Rocky Mountain Youth Leadership Foundation Board of Directors is to provide a safe environment for all students at the RMYLC. The second responsibility, as important as the primary, is to provide an educational experience that develops leadership, patriotism and free enterprise competencies for all students. To encourage an environment that promotes RMYLC educational objectives, a ban on all Electronic Communication Devices (ECDs) is required. ECDs include but are not limited to laptop computers, cell/smart phones, tablets, iPADS, smart watches or similar devices.

The RMYLC provides an experiential educational forum for all students. Distractions are kept to a minimum to accomplish our learning objectives and ECDs create distractions that impede student performance. Experiential learning is accomplished through single tasking (rather than multi-tasking) where students develop concentration skills. Through concentration skills, students acquire teamwork, collaboration and communication tools and strategies. Single tasking promotes character, discipline and tempers procrastination. Thus, although the advantages of technology are well known; to achieve conference learning objectives we promote concentration skills through experiential learning. It is also necessary that we “create a level playing field,” since some of the conference is done with the students working together, in small groups in team competition with other groups, to solve situational problems where there is a definite team advantage (and a definite dilution of desired learning outcomes) if ECDs are available. **ECD’s detract from our educational goals and the overall conference learning experience --- they are not to be brought to the conference.**

Be aware that if an ECD is brought to the conference, it is the student’s responsibility to declare and deposit the item(s) for safe keeping with conference staff at the Monday morning registration. This is a matter of personal integrity, an essential leadership trait—students are on their honor to declare and turn in ECDs. ECD(s) will be returned at checkout.

RMYLF trustees and the RMYLC staff recognize that student-parent communication might be necessary during the conference. Information providing numbers and procedures, both normal and in case of emergencies, are provided within this handbook (see page 17). Parents are encouraged to keep a copy of this page at home to facilitate communications with their student.

Please understand that our purpose is not to restrict the freedoms that we all like and normally expect. The purpose is to protect the well-being and best interests of all students and focus the overall educational experience.

Thank you for your understanding and cooperation.

TELEPHONE NUMBERS TO CONTACT STUDENTS

As cell/smart phones are not allowed at the conference, this sheet provides parents and/or guardians a method of contacting their student during the week of the conference.

Parents/Guardians should keep a copy of this sheet at home.
